

Sea Hags

November 2008

Pinch me. It has to be a dream. Could it be that Phil and B Albert have opened another restaurant/bar right here on St. Pete Beach...?!

The prophecy is true, my friends! **Sea Hags Bar & Grill** is now OPEN and who better to bring out the true spirit of this beach's best casual waterfront dining and drinking experience than our old friends who created *Philthy Phil's*? These two local celebrities are renown for their affable charms and customer fan base and you can be sure that your first visit to Sea Hags will be a festive reunion with all the great locals, regulars and staff who helped Phil and B establish their beloved legacies.

Where do we even begin? Located at the Blind Pass Marina, **Sea Hags** offers up a cozy waterfront atmosphere with plenty of parking and scenery for everyone. Come check out the two full liquor bars – the decadent 23-seater inside facing the water, or the 16-seater tiki bar out on the deck – and see just how fast you get swept up in all the hoopla. Prepare yourself for the incredibly diverse menu concocted by celebrated culinary master Chef Dave Arnold who will serve up original appetizers, salads, pizzas, sandwiches, seafood and steaks, all with his signature elegance and flair. **Sea Hags** offers its customers waterfront dining from every seat in the house so you won't miss a thing – from passing boats, dolphins, glorious sunsets and star gazing. You won't want to leave.

Expect only the best live entertainment around when the stage lights kick on... Live bands inside Friday and Saturday nights, while live music can also be heard outside at the tiki bar Friday thru Sunday. Plenty of room on the dance floor, so don't leave Phil out there all by himself. Direct TV will also be available so we can catch all the major sporting action 7 days a week. So no matter what team you're rooting for, we all come together as a family here at **Sea Hags**, “where old friends make new ones!” Phil and B wouldn't have it any other way.

Stop rubbing your eyes and shaking your heads. It's all true, kids. Phil and B have “put the band back together” and opened their doors once again to reunite us all under one *phantastic* roof. No other proprietors on the beach (or anywhere, for that matter) know how to host a better party than the Alberts, and here at **Sea Hags Bar & Grill** you can expect to be expected. Phil and B and their familiar staff of smiling faces have been waiting quite a while to re-do what they did best at *Philthy Phil's*... and now the time has come. Come on down and hangout with all your favorite bartenders, servers, locals and regulars and be a part of the best new restaurant/bar on the beach, hands down. Drop in by boat, car, rickshaw, moped – whatever. But once you're here, you may never go home. Now *that's* a dream.
